Esteemed members of the Editorial Board of the Special Issue

Dr.Kunja Bihari Satapathy

Former Professor of Botany, Utkal University, Bhubaneswar , Odisha, India
E-mail: kbs_bot@rediffmail.com

Dr Shivangee Bansal,Assistant Professor

School of Applied sciences, Suresh Gyan Vihar University, Jaipur,RJASTHAN 302017
E-mail: shivangeeb10@gmail.com

Dr.Jayalaxmi Mohapatra

Assistant professor in Zoology, DD University, Keonjhar, Odisha, India
E-mail: dr.jayamohapatra@gmail.com

Mr. Shakti Ranjan Behera

Assistant professor in Zoology, Government Women's College, Keonjhar, Odisha, India
E-mail: likun.srb@gmail.com

Miss. Lowrencee Dalai

Lecturer of Environmental Science, Government Women's College, Keonjhar, Odisha, India
E-mail: lowrenceedalai01@gmail.com

ABOUT CEHESH TRUST OF INDIA

CEHESH TRUST OF INDIA, a Non-Government Organization was established on 17th December 2021. It was registered on 29th April 2022 in Keonjhar, Odisha. CEHESH stands for Climate, Earth, Health, Environmental Sciences and Humanity. This Trust was formed by a small group of dedicated geo- scientists, Climate and Environment friendly community with the following aims and objectives. The main objectives are: Dissemination of Earth System Science (Climate, Earth and Environmental Science) knowledge through teaching to +3Degree and post graduate students on free of cost ; **Publication of the Biannual research journal (two issues per year) with the title – Journal of Geointerface** - comprising Earth, Climate, planetary and Environmental Sciences; and **GeoChronicle Panorama (Student -teacher relevant publication)**. Both are peer reviewed e-journals (browse publication menu of our website); Establishment of a library related to these sciences ; To organise and assist in the Field Training Programmes of students of Geology depts. of different colleges and universities; To organise special programmes in different schools and colleges to aware students on climate change, earth and environmental sciences, water and energy conservation along with action plans . In addition, awareness shall be developed through seminars and essay competitions on moral and ethical science, cultural and spiritual heritage of India and burning social problems of our country; To assist students for their placement in different earth science related organisations; Conduct of systematic plantation programmes with proper nourishment in different areas; To take up welfare activities in rural areas related to drinking water, health and sanitation; Conduct of camps on “Yogic Exercises for Health Care” in different schools and colleges . The details are mentioned in the Trust deed.

Dr Banabehari Mishra, Chief Patron and Managing Trustee
